Overhead rates have been reviewed, approved, and are limited to the costs which are allowable under Federal Acquisition Regulations, contained in Title 48 CFR, Part 31.

Bonuses paid to employees, principals, and key executives are allowed under the Federal Cost Principles. However, the DEPARTMENT disallows bonuses to owners, key executives, principals, and proprietors on determining overhead rates for Consultant contracts.

The actual contract cost includes direct labor expense, payroll additives; indirect costs and other direct non-salary costs as outlined below.

Guest meals (meals paid by a consultant or a consultant's employee for someone other than his/her self) shall not be eligible for reimbursement unless previously approved in writing by the DEPARTMENT Project Manager.

- (a) The direct labor expense is the actual salary expense plus payroll additives for professional and technical personnel and principals for the time they are productively engaged in work necessary to fulfill the terms of this contract. The provisional payroll additives were determined based on an Analysis of an Overhead Rate as _____ of the direct salary expense and is subject to a final audit review.
- (b) The provisional indirect costs have been determined based on the Analysis of an Overhead Rate and agreed upon as _____ of the direct labor expense. Actual salary expense, including payroll additives is subject to a final audit review.
- (c) If necessary and DEPARTMENT approved, any additional direct expenses incurred in fulfilling the terms of this contract, including but not limited to travel and lodging, reproduction, telephone, equipment, supplies and fees of outside CONSULTANTS or sub-consultants will be reimbursed at actual costs.

- (d) The fixed fee has been determined and agreed upon as _____ of the combined direct labor and the Overhead amount, which represents the CONSULTANT'S profit of _____. The fixed fee percentage is not a floating percent.

The fixed fee payment will be prorated and paid regularly in proportion to the work performed as reflected by the periodic invoices; that is, on the same ratio as the invoice cost bears to the originally estimated total for CONSULTANT'S actual cost which is the maximum amount payable minus the fixed fee. Any portion of the fixed fee payment not previously paid in the periodic payment will be covered in the final payment.
